

Did you know that a successful person is **HEALTHY, EDUCATED, STABLE & SUPPORTED?**

That is exactly what the United Way provides. We partner with programs across our community to make sure that everyone can have these essential needs met. In our world, everyone deserves a shot at being successful. Because of you, people in our community can thrive.

That's why you give,
advocate and volunteer
& WE ARE SO
THANKFUL.

It's The Big Things.

We know that small things matter, but sometimes, life hands us a full-blown catastrophe such as natural disasters, job loss, house fires, homelessness, or abuse. Where do you turn when life has you upside down? For many people in our community, the place to turn is to the United Way. The United Way partner agencies provide programs and services for those times when everything goes wrong. We encourage you to support your community. Make a contribution to the Callaway County United Way.

Callaway County

YOU MAY NOT KNOW IT
BUT YOU ARE A PART OF
SOMETHING
BIG. ←

It's where you are right now.
It's this county, made up of your
friends, teachers, neighbors,
co-workers and family.

See, this is your community. It isn't
simply geography. It's connection
& IT MATTERS.

It's the pride you feel when you
tell people where you live. It's
knowing that what you do
effects the people around you.
